A Quick Guide for First Time Exhibitors

Q: Who can enter exhibits?

A: Anyone may enter exhibits in the fair. Check each department listing for details specific for that department. Some departments are limited due to space and staffing.

Q: What does it cost to enter?

A: We don't charge entry fees.

Q: Can I enter exhibits in more than one department?

A: An individual item can only be entered in one department and most departments limit the number of entries from any one individual. Individuals are not, however, limited to the number of departments in which they submit entries. Each department requires an individual entry form.

Q: How far in advance must I enter an exhibit?

A: Deadlines vary for individual departments. Although livestock deadlines are in July, most non-livestock exhibit deadlines are one to seven days before the start of the Fair. Refer to individual department listings.

Q: What types of prizes/awards can I win?

A: The types of awards/prizes vary by department. All departments award stickers or ribbons. Cash premiums will be awarded to all exhibitors.

Q: How are the exhibits judged?

A: Exhibits are judged on their appearance, quality, color and all other attributes that are normally associated with this type of exhibit. The judging is done by experienced judges, who are specialized in that particular field. All judging is "Danish." This means they are judged on their own merits for blue, red or white awards.

Q: Whom do I call if I have questions?

A: Call the Fair Office at 360-795-3480.

Q: What do I do when I bring my exhibit to the Fairgrounds?

A: All exhibits should be taken to the appropriate building; at that point you will receive help from the Superintendent or Clerk. Check front of Fair Premium Book for times and dates. If you don't have an exhibitor number you will need to get one from the Fair Office.

Q: I would like to volunteer at the Fair, who do I contact?

A: It takes hundreds of volunteers to put on a Fair every year. Whether you have a specific area of interest or just want to help out any way that you can, call the Fair office at 360-795-3480, we will be delighted to match you with one of the areas that we need help in.

The Wahkiakum County Fair Board is extremely proud to dedicate the 113th Wahkiakum County Fair to Martha Backman

This year's Wahkiakum County Fair is dedicated to Martha Backman. Martha has been a long-time fair volunteer, and like her many friends volunteering along-side her, enjoys serving in the background.

Over her decades of service to Wahkiakum County Fair, Martha quietly raised thousands of dollars for the fair. She started the annual Turkey and Easter Bingos, and sought prize donations from businesses as far as Rainier and Astoria, always thankful for their support year after year. She organized dinners with her friends at the fair, including Chicken and Dumpling Dinners with her friend Janet Bryan, and the "Hijacking the Duck Inn Dinner" serving her special crab salad and ham.

Whether lean times or good times, Martha always gives. She is a joyful giver -- happily providing calves from the family farm for fair raffles and salmon for the annual salmon dinner. Martha and her family are also active in the Wahkiakum Lions Club, pitching in at the annual Lions Club bingo booth at the fair and Walk and Knock Food Drive.

Martha treasures her friendships made at the fair, in-

cluding her friend Sandy Nelson. They traveled to fair conventions, sharing a lot of laughs along the way and bringing home new ideas. Martha especially delighted in creating games for the kids' area at the fair, ~~FAIR-0709~~ing kids young and old to try out her carnival games. Win or lose, she made sure everyone had fun and got a prize.

Martha is no longer able to volunteer, but her love for the county fair is strong. Over the past few years, she sped to every corner of the fairgrounds reachable in her electric scooter, living true to her nickname, "Hot-wheels."

Martha and her family have fished commercially on the Columbia River and Bristol Bay, Alaska for generations. Her favorite place on earth is Egegik, Alaska, working her set net site and showing a thing or two to younger fisherwomen and fishermen. No matter how much she loves Egegik, she's always made sure to be back to Wahkiakum in time for the fair each summer.

Martha is known for her kindness and generosity, with a side of good fun and teasing, usually over a cup of coffee and a game of cribbage.

AIM AND PURPOSE OF THE WAHKIAKUM COUNTY FAIR

The Wahkiakum County Fair is a truly unique event. For 113 years we have been proud to showcase the many skills and talents within our picturesque county. Our goal is to create an opportunity to allow residents to showcase their beautiful crafts, nurtured livestock and carefully grown produce. We hope to not only entertain but enlighten, as our way of life is a part of history, which we take great pride in.

Wahkiakum offers a range of diverse industries including: Logging, Timber and Cottonwood Farms, Commercial Fishing, Tourism, Craft Industry, Small Animal Farms and Dairy Farms.

Each year, the fair is put on to share our history and knowledge while creating a festive celebration. It is a place for socializing, fun and education within a wholesome family atmosphere.

The Wahkiakum County Fair is governed by the Board of County Commissioners, a 12 member Board of Directors, Fair Manager and supporting staff, and the many dedicated volunteers.

The Fair is funded by Wahkiakum County, The State of Washington Fair Fund, the support of local businesses and donations, along with many fund raising events.

If you would like to volunteer or participate in this year's fair, please contact the fair office at 360-795-3480 or email wahkiakumfair@gmail.com

Our Fair Theme this year is "Hats Off to the Fair"

INTRODUCTION

The fair board takes pleasure in presenting this booklet containing the premium list for this year's fair. Every effort has been made to include those exhibits which best fit the farm and home life of Wahkiakum County.

Exhibitors are cautioned to adhere strictly to the rules and regulations by having their exhibits entered and ready for the judging by the time designated.

If this fair is to be successful, a large percentage of the residents of the county must give their wholehearted support by exhibiting articles and attending the fair.

The fair board wishes to remind everyone to carefully read all advertisements printed in this premium book and to remember that without the advertisers' generous support, the printing of this booklet would have been impossible.

We wish to thank the advertisers and others who have generously contributed their time and money to make the Wahkiakum County Fair a success.

The members of the fair board are serving without any compensation, other than the pleasure received in promoting a worthy community enterprise.

The manager and fair board would like to thank all the volunteers that make things run so smoothly.

Someday we will look back at 2020 as a time of challenges to both businesses and the community at large. We are so thankful to those who kept things moving forward in positive ways. As a Chamber, we were able to assist our local businesses in keeping the lights on and people working. We wish to thank those who support the Chamber of Commerce with their membership and outreach. We couldn't do this without the support of our members. We value the role we play in the community to create a network of economic well-being. Our efforts to keep Wahkiakum County strong will continue as we work together to restructure and rebuild. We have big plans ahead for growth and look forward to creating more opportunities for tourism, business building and to continue to promote this beautiful and resilient place we call home. As we strive together, we remain #WahkiakumStrong!

The sellers (4-H/FFA members) and the bidders and/or buyers are reminded here that the price paid to the seller may not, in fact, reflect a true market price at the time of the sale. Department A 4-H CLUBS

4-H is an informal educational program for boys and girls between kindergarten and 19 years of age. It offers young people opportunities to develop new interests, make new

friends, practice democracy and leadership, and have fun.

4-H leaders are supported in their efforts by the professional staff member of Washington State University Cooperative Extension.

The strength of the 4-H program lies in its volunteer adult and teen leaders, who are energetic, enthusiastic and dedicated to helping young people.

The Fair is the show window for 4-H programs.

Remember, as a 4-H member you are showing the public that you have learned

I. GENERAL RULES FOR 4-H:

1. No drugs or alcohol-use or possession.

2.No smoking is allowed anywhere in the horse barns or in the immediate areas surrounding the horse barns, including any areas of hay or feed storage in or around the horse barn areas. No use of tobacco products, including smokeless tobacco, by any 4-H member or anyone under the age of 21. (See Washington State Law.)

3. No dogs allowed unless it is a registered 4-H or Open Dog contestant, and then only on a leash in the approved dog areas.

4.No abuse of animals whether by the use of illegal tack (as defined by the 4-H Performance Horse Rules for 4-H Members) or be severe disciplinary actions that may endanger the horse and others in the area.

5.Only the 4-H member currently enrolled and entered in the Fair may ride the 4-H horse they are exhibiting in the 4-H division at Fair. No other 4-H member shall ride any one else's horse - whether permission was granted by the owner/parent/guardian or not. Ride only the horse you have entered in the Fair. If there are extenuating circumstances (i.e. 4-H member is hurt or ill) another 4-H member may ride or exercise as per 4-H horse superintendent decision.

6.Only exhibitors may groom, exercise or handle a horse, and then only the horse they have entered in the Fair. The only exception to this rule is the assistance given a 4-H member by a leader or another 4-H member, and then it can only be assistance, not the assumption of the task for the exhibitor. If an exhibitor is unable to groom, exercise, or handle their horse, they must speak to the Horse Superintendent to make other arrangements. Permission must be obtained prior to someone else assuming control of any horse.

7.A visibly ill, injured or lame horse may be excused from participation by show personnel. In the case of a 4-H horse, the leader should be notified first, then the 4-H Horse Superintendent, then possibly the Extension Agent or Fair Manager, depending on the circumstances. This is to protect the health and safety of the horse, not to penalize anyone.

8.No foul or vulgar language or obscene gestures will be tolerated.

9.No fighting, running or roughhousing will be tolerated in or in the immediate areas surrounding the Horse Barns.

10.No galloping or running horses of will be allowed at any time during Fair (except for Western Games). Control of your horse must be demonstrated at all times.

11. All horses must be exercised at the appointed times, unless the exhibitor is unable to do so. Any skipping of exercise time must be cleared prior with the appropriate superintendent. Failure to exercise or otherwise care for your horse could result in penalties as outlined above.

12. Exhibitors must wear boots with heels at all times when in stalls, on barn duty and when riding. Any leaders or helpers authorized to be in a stall or in horse staging areas on show days must also wear boots for their protection. **4-H horse members in all age groups will wear ASTM-SEI approved helmets in all riding classes and during exercise periods.**

13.All grooming and outfitting must be done in stalls. This includes hoof blacking.

14.No riding double. No riding bareback during exercise times without prior approval of appropriate horse barn superintendent.

15.All horses must be led at a walk to and from arenas. Horses may only be ridden in designated arena areas.

16. Only 4-H/FFAmembers enrolled and entered in the Fair may participate in "Fun Day" horse games.

17.No horse may be left unattended outside a stall; no horse may be left unattended tacked up in a stall. Check with Superintendents if tying in horse stall is needed.

18.Exhibitors are solely responsible to inspect their stall prior to putting horse in it to make sure it is safe and secure.

19.It is strongly recommended that all horses have current vaccinations 30 days prior to Fair.

20.Every horse must have a halter and lead rope/shank hung properly on the stall front.

21.Horses may not be removed from stalls without prior permission from appropriate superintendent except for during scheduled exercise and/or show days or official fair events/activities. In regards to 4-H horses, prior permission must be obtained from the 4-H Barn Manager and/or 4-H Horse superintendent. Respective superintendents/barn manager will specify proper procedures for bringing out horses on show days and/or official fair events/activities.

22.Gate holds are for 3 minutes only on Show Day. Exhibitors requesting gate holds must be at the gate ready to enter at the end of 3 minutes.

23. No drugs may be used on any horse. However, 4-H horses may continue medication needed for therapeutic purposes, but prior approval must be obtained from the 4-H Horse Committee in communication with the 4-H Agent.

24.Any horse exhibiting unsafe behavior with potential to cause harm, may be removed by the Barn Superintendent after consultation with the Fair Manager, and in the case of

a 4-H Horse the 4-H Extension Agent.

25. If any 4-H member has a problem with any person, adult or otherwise, please immediately advise your leader, barn superintendent or the 4-H Extension Agent.

26. If you have a complaint, please follow the grievance procedures outlined in the attached 4-H Grievance Policy and/or the Fair Premium Book.

27. For the safety of the 4-H horse exhibitor and others, a tack check may be conducted prior to the exhibitor's first riding or driving event. Illegal, poorly fitted, or unsafe tack will be corrected before arena entry. Rubber bands on stirrups as a riding aid will not be allowed. Twine and other temporary repairs will not be allowed unless approved by the 4-H horse superintendent, depending upon severity. Once completing a tack check, modifying or altering tack without prior approval or communication to 4-H superintendent may result in forfeiture of right to participate in the remaining 4-H horse classes/lots.

II. PERFORMANCE HORSE CLASS RULES:

All classes conducted in this section will be in accordance with the Wahkiakum 4-H Horse Policy Guide; 4-H State Performance Horse-Member Manual and Class Rules-EM4727; and Hunt Seat and Jumper Manual-PNW 488 and EB 1974 4-H Horse Contest Guide. Proper tack for riding each seat is listed in the respective publications and/or policy guide. If a particular piece of tack is not listed, then it is not allowed in the Wahkiakum County 4-H horse program or at State 4-H Fair.

1. Walk/Trot--English or Western (Green Horse). *Not State Fair Eligible* Any junior, intermediate or senior exhibitor who is not yet ready to canter or lope. No cross-entering with canter classes. Riders who have cantered or loped previously in competition are not eligible to participate in this class.

2. Trail--The trail horse class will be set up in a designated area of the arena. The trail course will be available for 4-H exhibitors to compete from 10:00 a.m. to 1:00 p.m. See Superintendent for details. No practicing on the course is allowed.

3. Green Horse Project-Not State Fair Eligible. Please refer to the 4-H publication "Training Yearlings to 5 Year Olds" for a full description of all four lots offered.

4. Dressage. The lot divisions will be by dressage level, not age of exhibitor. Each exhibitor may ride two tests. Exhibitors riding Intro Level tests may not ride another level, unless they are exhibiting in other canter classes. Tests must be specified on entry from following list: Intro Level, Test 1; Intro Level, Test 2; Training Level, Test 1, 2, 3, or 4; First Level, Test 1, 2, 3, or 4. Exhibitors may ride test from memory or they may have someone else call the test. Dressage will be judged using dressage standards, but ribbons will be awarded using the Danish System, and according to age groups. Exhibitors will receive a dressage score sheet and a ribbon. Riders may use western saddle. All riders are strongly encouraged to ride with a snaffle bit. Riders must ride with two hands.

5. Hunt Seat Equitation over Fences-State Fair Eligible only for those 4-H members who qualified in this class and respective lots at the county fair. Certain lots may not be state fair eligible (i.e. ground poles and crossrail). Only exhibitors pre-entered by the Extension office will be allowed to participate in State Fair. County 4-H exhibitors must have passed a Jumping Skills Checklist at the respective

heights in order to enter the corresponding heights listed in the county fair premium book. The lot divisions will be by height, but ribbons will be awarded according to exhibitor age. Trotting will be allowed in class. The judge may require a hand gallop and the exhibitor should be able to execute this gait for their safety and the safety of others.

6. Hunter Hack over Fences, Walk/Trot classes. Not State Fair Eligible.

7. Fitting and Showing. In order to qualify for state fair, the equine used in performance, driving, western games, or equitation over fences must be the same animal used in fitting and showing.

8. Class list may not be order of show.

CLASS 32 DISCIPLINED RAIL - ENGLISH

CLASS 33 DISCIPLINED RAIL - WESTERN

Washington State 4H Fair Disciplined Rail Rules

This is an equitation class in which the rider performs maneuvers as a group, as a rail equitation class (i.e. no individual work).

Disciplined rail is a class that tests the skills of both the horse and rider, as they execute specific gaits, transitions, and/or movements as requested by the judge. The horse should do what the rider asks with the least possible effort on the part of the rider and the least amount of resistance from the horse. The member will be judged on correct posture, smooth gait transitions, and effective use of aids, with special emphasis on light hands. The performance of the horse is not to be considered more important than the methods used by the rider in obtaining that performance.

The judge is encouraged to call for reasonable tests of horsemanship with the rider demonstrating overall equitation as related to *seat and hands; performance; and member and appointments* as per the Equitation division of the Pacific Northwest 4H Contest Guide, current edition.

This is not a game (i.e. "Simon Says") or an elimination/out class.

Tack, Equipment, and Appointments: Same requirements as per the respective seats of the Equitation Division in the Pacific Northwest 4H Contest Guide, current edition.

The following are some, but not all, of the maneuvers the judge may ask you to perform:

- Enter ring on right track
- Transitions to and from any gait, such as trot to canter, hand gallop to halt, halt to canter, trot to counter canter, etc. You may also be asked to perform a gait for a specific number of steps or strides.
- Extension and collection of any gait.
- Lope/canter on correct lead.
- Starting and traveling on the incorrect lead/counter canter.
- Hand gallop/extended canter/extended lope (depending on seat and/or number of exhibitors).
- Change leads--simple, interrupted, or flying (Example: "As you pass in front of the judge, perform a simple change of lead.")
- Ride without irons/stirrups and drop and pick up irons/

stirrups

- Haunch or forward turn (need forward motion), judge may ask for specific number of degrees
- Turn on forehand and turn on hind quarter (once each way).
- Leg Yield such as away from and back to the rail.
- Side pass both away from the rail (at least five steps) and then back to the rail.
- Transition from any gait to a balanced halt/stop
- Starting into a lope from a halt.
- Reverse at a jog/trot (but not at lope)
- Change of diagonals (English)
- Back
- Walk "on the buckle".
- Stand for inspection or stop and stand quietly on a loose rein.
- Mount and dismount
- Answer questions from 4H project materials
- Judge may ask for additional safe work reflective of horsemanship and equitation
